

CLAIMS

What is claimed is:

1. A method for input of handwriting, comprising:
holding a wireless electronic stylus;
pushing a button;
performing movements in the air that correspond to graffiti symbols.
2. The method of claim 1 where said electronic stylus performs the followings:
establish a wireless connection with a receiving device.
3. The method of claim 2 further comprising:
getting output from accelerometer,
4. The method of claim 3 further comprising:
getting acceleration sequences characterizing each of a plurality of graffiti symbols from memory;
correlating accelerometer output to said acceleration sequences;
identifying graffiti symbols.
5. The method of claim 4 further comprising:
correlating graffiti symbols to letters.

6. The method of claim 5 further comprising:
correlating graffiti symbols to numbers.
7. The method of claim 4 further comprising:
correlating graffiti symbols to symbols.
8. The method of claim 5 further comprising:
wirelessly sending identified symbols to said receiving device.
9. The method of claim 8 further comprising:
displaying identified symbols.
10. The method of claim 3 further comprising:
wirelessly sending said accelerometer output to said receiving device.
11. The method of claim 10 further comprising said receiving device doing the following:
getting acceleration sequences characterizing each of a plurality of graffiti symbols from memory;
correlating accelerometer output to said acceleration sequences;
identifying graffiti symbols;
12. The method of claim 11 further comprising:

Correlating graffiti symbols to letters.

13. The method of claim 12 further comprising:

Correlating graffiti symbols to numbers.

14. The method of claim 3 where graffiti corresponds to PalmPilot graffiti set.

15. Apparatus for input of handwriting, comprising:

a wireless stylus fitted with accelerometers and a transmitter.

16. The apparatus of claim 15 containing a database of acceleration sequences characterizing each of a plurality of graffiti symbols.

17. The apparatus of claim 16 wherein said transmitter is a BlueTooth transmitter.

18. The apparatus of claim 17 wherein said graffiti set is the PalmPilot graffiti set.
